BOAT SEAFOOD RESTAURANT

01. We Are

BOAT Seafood Restaurant is a destination for authentic seafood dining, where freshness, flavour, hospitality, and memorable experiences come together.

Located at the iconic Waterfront Market, overlooking Dubai's vibrant waterfront, BOAT celebrates the rich culinary traditions of the Arabian region and India, bringing the finest seafood preparations to one welcoming destination.

Our journey is guided by a clear vision: to establish BOAT as a trusted name in seafood dining, recognised for authentic taste, consistent quality, inviting ambience, and exceptional customer service.

We believe a great restaurant is not defined by food alone. It is the harmony of fresh ingredients, skilled preparation, comfortable surroundings, attentive hospitality, and the satisfaction of every guest.

At BOAT, every meal is an experience worth remembering.

02. Our Philosophy

“Simply Fresh Seafood, Prepared Your Way.”

Our philosophy is built around simplicity, authenticity, and personal choice.

We believe the natural freshness of seafood should always be the hero of every dish. Whether our guests prefer traditional Arabic flavours, rich Indian spices, charcoal grilling, oven-baked specialities, or their own customised recipes, we strive to prepare every meal to their individual taste.

Your preference is our inspiration. Your satisfaction is our priority.

03. Our Culinary Specialities

01 — Authentic Arabic Seafood

Inspired by the rich coastal food traditions of the Arabian region, our Arabic kitchen specialises in grilled, oven-baked, and traditionally seasoned seafood.

Fresh fish, prawns, and other seafood are prepared with carefully selected spices, marinades, and cooking techniques that preserve their natural flavour.

02 — Authentic Indian Seafood

Celebrating India's diverse coastal culinary heritage, our Indian kitchen offers a vibrant selection of tawa preparations, masala specialities, traditional fish gravies, and grilled seafood.

From delicate spice combinations to bold regional flavours, every preparation reflects the warmth and richness of Indian cuisine.

03 — Your Fish, Our Preparation

One of BOAT's signature dining concepts gives our guests the freedom to select and bring their own fresh seafood from the market.

Our culinary team then prepares it according to their preferred recipe, cooking style, and spice level.

You bring the catch. We create the flavour.
